Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Think of a time when a church did not guard the gospel well. What have been the consequences for that church, if any?

Briefly explain the gospel in terms that an unbeliever with no Bible knowledge could understand. What are the obstacles you have to overcome to do this?

We are called out to live the gospel in unity and love. Where do you find that difficult to do?

Share with each other where you have joy in living out the gospel in your life on a daily basis?
