#### Hope For My Hurting Heart

by Linda Dillow

Jesus said that in this life we'll have pain and trials. So how do we deal with our pain and walk with God in our grief? This study offers practical wisdom, encouragement, and truth from God's Word to help you navigate pain and loss to find healing.

You're not alone in your pain. God welcomes your questions and aches, and He will show you the path to hope.

Led by Judy Caldwell & Lauren Andrews

#### The Pilgrim's Progress

by John Bunyan

Revised by Alan Vermilye

Study a modern-day version of the classic.

We'll dig into this allegory saturated in scripture using a workbook to help us discuss and apply the hazardous journey of a man named Christian who travels from the City of Destruction to the Celestial City.

Led by MaryAnn LeQuieu

#### The Bible Project

Feeling lost in the Bible? Through engaging videos, Bible passages, and discussion, dive into an overview of the Old Testament to see the big picture of scripture and God's redemptive story. Learn afresh (or for the first time) the powerful interactions of God with mankind to know Him better and His plan for you.

Led by Tammy Smidt

#### The Gospel on the Ground

by Kristi McLelland

Study the early years of the church as told in the book of Acts to see how Jesus' message of hope and reconciliation spread from Jerusalem to the rest of the world. Come to understand the part you're meant to play in the redemptive story God continues to write in our lives today.

Led by Kris Wallen

#### From Garden to Glory

by Courtney Doctor

This young moms group will dig into God's Word, support, and pray for each other. We'll explore God's redemptive story from Genesis to Revelation to deepen our gratitude and awe of our amazing God who stopped at nothing to bring us back to Himself. Be encouraged that God has a part for you in His story!

Led by Vivian Weston

#### Hosea

by Jennifer Rothschild

Dive into the living analogy of Hosea's unusual life. You'll come to understand that when you're looking for identity, God calls you His own. When you feel enslaved, God frees you. When you wander away, God brings you home. God sees who you are and loves you faithfully. His unfailing love changes everything.
